DATE: December 12, 1997

SUBJECT: Georgia Regulations 120-2-18 (Exhibit L)

Forms GID-44 and GID-45

In order to make it simpler for insurers to comply with this reporting requirement, we have worked with statistical reporting agencies to determine what they might be able to provide in summary form for their member companies.

To the extent that you report statistics for the lines or sublines of insurance that are required to be reported under this Regulation to the following statistical organizations you need <u>only</u> furnish information to this Department required in Column 7 of the forms dealing with cancellation and nonrenewal.

The statistical organizations reporting to us are:

- Insurance Service Office (ISO),
- National Association of Independent Insurers (NAII),
- National Council on Compensation Insurance (NCCI),
- National Insurance Statistical Service (NISS).

To the extent that you do not report statistics for any of the lines or sublines to one of these organizations, a report for such lines or sublines must be made directly to this Department.

Please direct any questions to Scott Fields at the above address or by telephone at  $(404)\ 656-2074$ .
